

## IC4 - Instructions to Prepare Camera Ready Copy and Copyright Form

Here are the instructions to prepare the final camera ready paper. Please READ CAREFULLY AND ADHERE STRICTLY to the instructions given.

1. Incorporate all the changes suggested by the reviewer(s). Make sure that the maximum length of the paper, including references, annexures etc. is **6 pages**. Remove references which are not cited in the main body of the paper. Please do not use author titles (Dr. Prof. etc.) in front of names and also avoid using positions (Professor, Lecturer, Scholar etc.). **Give Author Name(s) and address of the affiliated institute, email-id, and country name.**
2. Check the level of plagiarism in your papers by using any standard tool such as *Turnitin* and ensure that papers are free of plagiarism. Please note that the **maximum allowed plagiarism level is 25% with references included**. If your paper is found to be plagiarized at a later stage (even after you have registered for the conference), we will be forced to exclude the paper from the proceedings and no refund will be made. Refer the appropriate **IEEE documentation** for penalties imposed on such authors.

*"Plagiarism detected would cause rejection of the paper at any stage, even during publication by IEEE Xplore. As you might know, plagiarism might invite consequences like ban on authors by IEEE." Please take care.*

3. Strictly use the **IEEE Xplore template (LATEX/WORD TEMPLATE)** for preparing the final manuscript. **DO NOT give page numbers, copyright notice, header/footer to the papers.** Create PDF version of your paper and check for IEEE pdf eXpress compliance. Your Paper should have file name as **ic4\_PAPER\_ID\_FirstAuthorLastName.pdf**.
4. Check the **IEEE pdf eXpress Plus Compliance** of your manuscript using the link: <http://www.pdf-express.org/plus>. Use the Conference ID **43802XP** and create your account by giving email id and password. Then you can upload your manuscript (source file) and check for compliance. *Users of IEEE PDF eXpress Plus, who already have an account, need to follow the above steps but should enter the same password that was used for previous conferences. Verify that your contact information is valid.*
  - a. ***IMPORTANT: Any changes made to a PDF after IEEE PDF eXpress Plus conversion or PDF checking may invalidate IEEE Xplore compatibility. Only if your CRC of the paper is IEEE PDF eXpress compliant, it can be uploaded to IEEE Xplore.***
5. Upload the **final Camera Ready Copy (after checking using PDF express compliance checking) using your EasyChair account**. Please note the pdfXpress site for the IC4 2018 conference opens only on **01 June 2018, and the submission should be over by 10 June 2018**. **This is a firm timeline and will not be extended.**
6. It is also mandatory that **at least one of the authors of EACH SELECTED PAPER** should register and attend the conference. Details for registration are available [here](#). If you have more than one paper, **SEPARATE** registration should be done quoting the paper id.

7. IEEE policy requires that prior to publication all authors or their employers must **transfer the copyright of the manuscript to the IEEE in writing**. The copyright transfer agreement is one per paper and NOT per author. Transfer of the copyright agreement of your paper to IEEEExplore involves downloading the **editable PDF** form (available for download from [here](#)), filling fields like paper title, author name[s] and date, printing and signing the form and forwarding a scanned copy electronically. Again this is mandatory for your paper to be uploaded to IEEE Xplore.
8. Create a Zip file containing scanned copy of duly filled and signed copyright transfer certificate(both the sides), copy of registration fee receipt paid and scanned copy of full time student certificate (if applicable) from the institution of study. **Please forward the zip file to: [cr.icfour2018@cet.ac.in](mailto:cr.icfour2018@cet.ac.in) with cc to: [indran@ieee.org](mailto:indran@ieee.org)**. These documents have to be named with following naming conventions:
  - PaperID\_FirstAuthorLastName\_copyright.pdf**
  - PaperID\_FirstAuthorLastName\_FeeReceipt.pdf**
  - PaperID\_FirstAuthorLastName\_StudentCertif.pdf**

*For queries related to copyright and pdf eXpress, please contact the publication chair ([pc.icfour2018@cet.ac.in](mailto:pc.icfour2018@cet.ac.in)) or organizing secretary ([icfour2018@cet.ac.in](mailto:icfour2018@cet.ac.in))*
